

### DragonWear™FR Clothing:

The DragonWear™ FR Clothing Sizing Chart is based on actual body measurements. Follow the guidelines below to determine your size.

**Chest:** Measurement should be taken around the fullest part, just under the arms and across the shoulder blades.

**Sleeves:** With elbow bent, measure from center (back) of neck to elbow and down to wrist.

**Waist:** Measure around waist at the height you prefer to wear the waistband.

**Inseam:** Use your best-fitting pants as a guide. Lay them flat and measure from the center of the crotch, along the inner leg seam down to the hem. This measurement is your desired inseam.

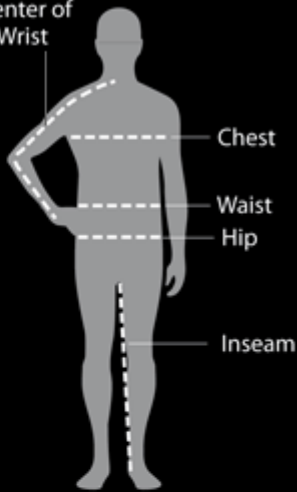

**Hip:** Measure around fullest point of hips.

**Tall sizes:** Tall sizes: Adds 1" to torso and 1.5" to sleeve.
